## Pupils construct a skill

This year and last year's Year 10 and 11 students at Warlingham School who followed the Alternative Pathway completed a two year course on construction this year with budding results.

The Alternative Pathway is a practical, work-based course providing students with construction skills. A combination of one-day per week in-school instruction from the 'construction bus' and work experience in a community business over a two year period provides these students with the necessary skills to reach an NVQ Level 1 qualification in construction. Upon satisfactory completion of the course students can continue studying the trade at college and may go on to having a career in con-

struction. One of the projects they worked on during the course was a raised flowerbed situated on the school site. The chosen area was formerly home to a diseased tree which had to be removed. The students worked hard to secure the site, lay foundations and begin construction of the surrounding wall.

The students involved were:

Grant Sandford, Taylor Cranfield, Nick Courtman, Jonathan Hunt, Josh Dickenson, Sam Goshawk, Lewis Martin, Lee Dance, Louis Everett, Matt Cavali Turner, Peter Holmes, Charlie Sherlock and Billy Taylor. Headteacher Alison Woodhouse officially opened this new addition to Warlingham School when she unveiled a plaque celebrating these students' hard work.

## Supervision orders for teenagers after Warlingham street robbery

Three teenagers have each been given supervision orders following a robbery in Warlingham in which a 13-year-old boy was head butted.

The boys, who cannot be named for legal reasons, demanded the victim's money, pushed and then head butted him in an alleyway in Hillbury Road.

Local officers from the Tandridge Safer Neighbourhood Team were on the scene within a matter of minutes and the offenders were convicted at South East Surrey Youth Court.

A 16-year-old boy from Whyteleafe was given a six-month supervision order, ordered to pay £100 costs and £75 compensation to the victim.

A 17-year-old from Caterham has a nine-month supervision order, ordered to pay £100 costs and £75 compensation to the victim.

A 17-year-old from Kenley was handed a 12-month supervision order, ordered to pay £50 costs and £150 compensation to the victim.
